PROFILE

I am a Queenstown Resort College graduate and have a Diploma in Hospitality Management with an elective in Resorts and Spa.

I am a friendly and considerate person and have previous experience working in a fast-paced restaurant, as part of a large production crew for TVNZ and working as a Salesman for Liquor King.

I have gained a greater understanding of the importance of time management, a strong work ethic and the ability to accept and learn from constructive criticism; enabling me to improve my performance and broaden my professional outlook.

I look forward to the opportunity to push myself and to pursue my career in the hospitality industry.
